MYRTLE SALES CIRCLE

During 2009, the Myrtle Sales Circle made donations to various organizations and people in order to meet a variety of needs within this community and outside this community.

Through Fletcher United Methodist Church, the Myrtle Sales Circle gave \$200 to the church's heating and cooling assistance program for those people needing help in our area, as well as \$350 for Vacation Bible School T-shirts. We also paid \$35 for the special Christmas Eve bulletins.

We supported the United Methodist Women by paying a \$400 UMW pledge and gave \$100.80 to the World Thank Offering and \$50 for the prayer and self-denial program of UMW.

We supported Leslie Arney, a church member who was doing mission work in Ecuador last year, by sending her \$50.

Within our own community, we paid out \$150 for the local backpack program for children who do not have much food to eat on the weekends. We also sent \$50 to the Hendersonville Rescue Mission for Thanksgiving dinners, and gave a \$200 check to Calvary Episcopal Church for their food pantry.

Finally, we continued our tradition of support for the Karuna Niwas Mission in Bangalore, India, with a donation of \$300.

The Myrtle Sales Circle was pleased to be able to help so many people in so many different ways this past year.

The United Methodist Women of our church would like to start a new circle for women in our congregation. If you are interested in joining a circle, please contact Lexyne Norris, president of the United Methodist Women (UMW) at our church, at 684-9519.
