**Fletcher United Methodist Church
Trustees Committee Communication
May 30, 2019**

Life is exciting at Fletcher United Methodist Church! We are approaching our first anniversary in the new sanctuary and are enjoying our new space. We have active adult, youth, and music programs. Our members also continue to demonstrate a strong commitment to outreach ministries. One of the responsibilities given to the Trustees Committee is to plan for the use of our current facilities and identify future needs. In that regard, the Trustees are in the process of developing a master plan for the church's short and long-term facility needs.

Certainly, one of our goals is to encourage the payoff of the mortgage on the new sanctuary. A new Debt Reduction Committee has been formed to develop ideas which will help reduce and pay off the mortgage as quickly as reasonably possible. Other ideas we have heard from church members include:

- Finding a permanent location for the church library
- Identifying additional Sunday School space
- Determining the best use for the old sanctuary

We are sure other needs should be included on our list for consideration as we develop our master plan of facility needs, and we encourage you to share your thoughts with us! If you have thoughts or concerns you believe we need to address, please complete the attached form and return it to the church office to the attention of the Trustees by September 1, 2019. Forms will also be available on the church website.

Thank you on behalf of the Trustees of Fletcher United Methodist Church.
